The tested components and items of submitted products have been tested by us with the following standard(s) and found to be in compliance with the listed European Directives.

RoHS Directive 2011/65/EU(RoHS 2.0)

The test results apply only to the particular sample tested and to the specific tests carried out.

Technical report and documentation are at the Holder's disposal.

This certificate applies specifically to the sample investigated in our test reference number only.

The CE markings as shown below can be affixed on the product after preparation of necessary technical documentation. Other relevant Directives have to be observed.
